

Chapter 10

SANDHOG(S) Of The Bible

Before I get into these next few Chapters, there is so much more to tell each of YOU than time will allow ME to do so. I AM having trouble trying to determine just what to put into this “Chapter” along with what to leave out. Keep in mind (“Here” i.e. “Kingdom’s of Earth”) with this particular **PUBLICATION**, the **SUBJECT MATTER** at hand, is still **GABRIELLE**. I have to keep reminding MYSELF of **THIS OBJECT**, as I “Pen” this Chapter.

I would not even be going this shady “Direction”, except to say, I AM showing US more directly, **ANOTHER** especially **RELEVANT (IMPORTANT)** avenue as to **WHY** WE (HUMANS) particularly need **HER** “Here” NOW! To **DO THIS**, WE are still in the Old Testament and I AM still showing US another “**VERY IMPORTANT ASPECT**” of **HER** “**BEING**” before I (officially) **INTRODUCE HER** still yet again.

Having said that, please know what I AM explaining (even as a Sandhog” working way below the surface) is still just scratching the surface. (PEOPLE WHO actually make a living as “Sandhogs”, are nowhere near punching through Earth’s Crust, by any means, either. Thus, THEY too, are but scratching the surface of Earth’s Crust, as well.) Now feel free to join ME down “Here” in the muck and mire, twenty stories beneath the surface of any given “Verse of the Bible”.

Just so WE are on the same page, be it known WE are far below any “Bible Verses” (That just may have happened to make it into the “Bible”), looking up at “Them” from underneath. (This also includes any of the just as “**INSPIRED TEXT**” that did not make into the “Canonized Publication”, as well.) Also included is the various different “Translations” as far as “They” go, of which from OUR vantage point “They Too” are stripped clean and fully exposed.

For example, WE are far below any Bible Verse possibly having a “dual application”. WE are far below “Cross Referencing” any of the various “Bible Verses”. Bible “Controversy”, possibly explained away (Next Chapter) is even high above US and quite visible to the naked eye. Even the individual Greek and Hebrew word’s “Actual Meanings” are still way above US. WE are way below all those “Biblical Games” WE might otherwise play with various “Bible Verses”, too. WE have even “Left Behind”, in the (nuclear) dust, what

the various living or dead Bible Commentators, “Might have to say” concerning any particular “Verse of the Bible” or “Bible Topic” even.

WE are not even in a “College Laboratory”, with some college professor looking over OUR shoulders any more. From “Birth”, all that is behind US. WE are in the field **ACTUALLY** doing the “Work” at hand, with OUR “Reference Material” safely tucked away back in OUR office away from this “Work Environment”.

Having said the above, I thank each of YOU for “Joining ME”, “Here (In Time on this Earth)”, MY fellow COLLEAGUES.

It is not that WE will not be using what WE have learned (OUR **INNATE NATURE** as **GIVEN** US via a **MALE** and a **FEMALE DEITY**), but rather, like every other “Field of Study”, this is **HOPEFULLY** a “Blending” together of all WE have learned, to be applied (**BIASED**) in a certain way (or “**WAY**”) for the desired outcome, to (**EVENTUALLY**) “Benefit (or “**BENEFIT**”)” US all.

Down “Here”, everything is so “Prefabricated”, “It is Totally Unreal” as in “NOT **REAL**” at all. (So YOU **KNOW**, things become “**REAL**” when WE **ARE TRANSFIGURED**, or “**ETERNITY** is **TRANSPOSED**” upon the “Physical Realm” and WE then become “**ALL IN ALL**”. Until then, “Change” is evident.) I will even give MY Evolutionary FRIENDS, the “Formula”, as to what makes this “All” possible in the first place.

The “Formula” is “Simple to Complex plus (+) the **CREATION** of Time” if that helps US out in OUR understanding as to why “Things” progress the way they do. If “Time”, controlled of **DEITY**, were not involved, there would be no layers of rocks, to look under, MY Evolutionary FRIENDS, for those missing “Links”. Concerning the “Control of Time” see The Infancy Gospel of James by Mark M. Mattison, Chapter 18 entitled “Time Stands Still”. Early Christian Writings and Gospels.net each have links to this freely downloaded Manuscript.

The closest thing WE are “Privy To” as to what is going on “Down Here”, would be to look at the actual “Production of a Movie (or a single television Show)” by a Producer and Director”, and I AM not talking about what WE can “**ONLY**” see “After the Movie” has come out, for OUR “Viewing Pleasure”, in the Movie Theaters. WE have to look at the “Things” that went on “Behind The Scenes” that

were kept out of the “Focal View of the Camera’s Lens” during the actual production of the “Movie”. There is “Wardrobe”, there is “Makeup”, there is “Lighting”, there is the “Director’s Yelling and Valued Input”, but to name a few “Things”, WE do **NOT** see what makes up what WE “**Do See** (“All a **Lie**” or “**NOT REAL**”)” once WE do sit down in that “Movie Theater” with OUR “Popcorn and Drink” in hand to finally “Watch the **P**roduction” before US.

Is it any different with the “**Conclusion** of this **Sin P**roblem”? It is the same thing with OUR physical “Eyes”. Without **FIRST** being “Born” as **DEITY**, in that **THEY ARE “ALL KNOWING”, “EVER PRESENT”, “IMMORTAL”,** but to name a few of **THEIR ETERNAL “ATTRIBUTES** (again)”, the “PRODUCERS [**CREATOR(S)**], and Directors (Angelic Realm)” just have to put what **THEY (DEITY** included with the Angelic Realm) want US to see, in front of OUR “Very Limited Focal Point (Camera Lens)” of OUR (Very Limited) physical “Eye Sockets”, and OUR “Limited Range of Hearing” as well. For now, that is pretty much the extent of this “**Fiasco of R**eality” before each of US (MANKIND) presently on “Earth and In Time”.

And “**LOVE**”? Ha! Science would “love” to narrow “**LOVE**” down to a “Series of Chemical Reactions” taking place between OUR “Ears”. For example, when WE “look at a beautiful person, (of the opposite sex)”, of which WE might “happen to like”; according to “Science”, this would be nothing more than a few “Chemical Reactions” taking place in OUR brains, as well.

If WE relied upon what OUR physical eyes “See” in and of themselves, WE would be looking at “Edges” in varying levels of light, thus rendering “Color” as well. (Everything is the same color without “the color spectrum” of **LIGHT**.) It’s OUR brain, after a complicated “Series of Manipulations”, at a very high rate of speed, eventually, through training, “Determines what those Edges (Contrasts)” make up. WE have been “Conditioned” to determine whether “what WE are looking at” is “A child running out into the street” or “Symbols on a piece of paper” WE have been “Trained to Recognize” as “the Printed Word” of “OUR Particular Language”.

To further expand upon this concept, WE are on a special total “Life Support System” (Excluding “**D**eath”, that came along later.) in place, with many things (**CREATED** “Factors” figured in such as

“Gravity and Time”.) combined in such a way, down “Here” as to make “This Operation” a complete success. “Everything” (was) is freely provided to US. [It is of a certain GROUP (MANKIND), WHO think... “THEY have to show Ownership” of what is Not “THEIRS”, and therefore “Force The Sale” of everything, including OUR physical Bodies. F.Y.I. Corporations: The “Plagues” are in “**RESERVE**” to show US “Commerce” does not “Rule” the World.]

Just one aspect of this “Closed Loop System” is how oxygen is recycled over and over again. It is the equivalent of freely having to use these specialized computerized deep diving air tanks (OUR atmosphere) that automatically mix the various chemicals WE need to breath, complete with “Carbon Scrubbers (plant life)” to continue the “Process”. That is but one “Closed Loop System” in place “Here”.

This “Life Support System” (Which has to be “**CREATED**” on an “As needed” basis.) is not found (needed) anywhere else (thus far), and (if “Kept in Check”) produces an unlimited supply of recycled Oxygenated “Air”. However, this whole “Apparatus (Earth)”, working together, with all of its “Beauty”, has one serious drawback. WE have to be able to totally **CONCENTRATE** upon what WE are doing, or, by the “Effects of this State of Being”, WE can be “Lulled to a **SPIRITUAL Sleep**” never (at least in this Life) to “Wake Up” from this “State of **SPIRITUAL INSENSITIVITY**” again.

Furthermore, there is a “**BUDDY SYSTEM**” in place down “Here” at these depths, per say, where “WE” can periodically “check up” on each other, if WE know how to access the “System”. (Do not misquote ME. I AM not saying a “**BUDDY SYSTEM**” does not exist.) It is just that in order to **ACCESS** this “**BUDDY SYSTEM**” with any “Level of **PROFICIENCY**” for the benefit of the INDIVIDUALS involved, a much “Higher Level of **MATURITY**” must be obtained by any one, or a number of INDIVIDUALS, in the proper “**FIELD of STUDY**”, in order for that BEING (those BEINGS) to then be able to “check up” on the rest of US.

The “Problem is NOT that **THEY** are not **CHECKING** up on US”, but rather, are WE “**RECEPTIVE** to what THEY are **NOW**” telling US, in that “**PROCESS**”? (This is throughout the Bible where WE are “already” not listening to the “Law and the Prophets”. See Jere 19:5, and 32:35 for examples of how far away WE can progress.) It is just that the **INFORMATION THEY** may be trying to share with US, could be considered NOW so “**FOREIGN**” to OUR present “Level of earthly

Understanding”, that WE Perceive **THEM** to be on the other “Side”, if not outright “HYPOCRITES”. If that is OUR present “Level of Understanding”, then WE limit **THEIR** options to less evasive “hands off” **INTERVENTIONS** like “**FASTING**” and “Intercessory **PRAYERS**” for each of US INDIVIDUALLY or as a GROUP.

Otherwise, WE are each in OUR own little “Bubble” meandering around about down here, with OUR “Blinders” on. What can I say concerning this? Most of US are not up to this “SANDHOG Drudgery Type of A Lifestyle”. WE, as **CREATED** social BEINGS, have an **ETERNAL NEED** for close COMPANIONSHIP of which none of US ARE exempt from this rule.

(Please rest assured. It is simpler than WE “think”. To be of the “**ELECT** and to be **ALERT**” simply means, “YOU, in YOUR presence of mind, are **AWARE** of these “Distractions”, around YOU. This does not mean, by any means, WE are necessarily “Avoiding These Distractions”, totally, if any at all. WE are getting to that but first.)

Now that I have set the stage:

: Each (All of US), as physic EXPERTS, might as well be exploring “String Theory” by down sizing OURSELVES so WE can visually observe the “Individual String’s Movements in Actions”. Then WE would be able to “State Each String’s Movements” **EFFECTS** (Verbally and in “A Report”) “Topside”, based solely from YOUR previous “Observations” and any additional “Background Knowledge”, YOU may have picked up, as a “Physicist”, from originally “Being Topside”, from “Birth”, in these “Kingdom’s of Earth”.

Why else would YOU want (choose) to observe “This”, from this close up “Vantage Point”, if in “some way, shape, or form”, YOU cannot eventually “Analyze YOUR Observations”, for OTHERS to also **KNOW**? WE might as well “Still” be on vacation “Deep Sea Fishing”, as the Bait, if WE do not get anything (else) out of “Being Here”.

Did YOU get that? I assure YOU, it is a “Ploy in YOUR Defense”, should YOU someday have to “Give a Response for YOUR Actions (or “Lack There Of”)”, in the not to distant Future. Now let ME retype this last paragraph again, except I will change just a few

words, in order for each of YOU to **KNOW** exactly just how much WE are **NOW** all **EXPERTS** in this “**P**articular **F**ield of **S**tudy”.

: WE might as well be exploring the “**S**in **T**heory” by down sizing YOURSELVES so WE can **VISUALLY** observe the “**S**in’s **I**ndividual **M**ovements in **A**ctions”. Then YOU would be able to “State Each **M**ovements” **E**FFECTS (Verbally and in “**A** Report”) “**T**opside”, based solely upon YOUR “Observations” and any additional “**B**ackground **K**nowledge”, YOU may have picked up, as “SINNERS”, from being “**T**opside”, from “Birth”, in “**T**his **W**orld of **S**in”.

Why else would YOU want (choose) to **OBSERVE** “**S**in”, from this **D**eathly “**V**antage **P**oint”, if in “Some Way, Shape, or Form”, YOU cannot eventually “**ANALYZE YOUR OBSERVATIONS**” as to the “**C**ause and **E**ffects of the **N**ature of **S**in”, in **HOPES** of never having to have to repeat this “**U**ngodly” existence ever again?

Let ME be the first to “Welcome each of US” to this particular “**F**ield of **S**tudy” as “DOCTORS of **S**inology”. →[Keep in mind, “**T**his” is simpler than WE think. Take for example, “Oncologist” might “deal with malignant Cancer tumors”, on a daily basis, but for the most part, they do not usually purposely “**I**nject” themselves with these same “**P**roblems” for any “**S**ound Reason, **W**hatsoever”. **THEY** (the “Oncologists”) usually try and shield **THEMSELVES**, with various safeguards, from “**T**his” ever happening to **THEM**, along the (**THEIR**) **W**AY. Besides, **THEY** have “Lab RATS (MANKIND)”, stuck on some Planet, far, far, away for that.]←

I will expect a “**C**oncise **R**eport” of YOUR “**C**onclusions and **F**inding of **F**act”, regarding the “**N**ature of **S**in” on MY desk in the morning, at the “**C**onclusion of this **S**in **P**roblem”.

So for the most part (In a very “SMALL” nut shell.), as BEINGS “Thrust upon the **S**cene” as infamous “DOCTORS of **S**inology”, WE find OURSELVES “**G**oing along to **G**et **A**long” as WE simply “Try To Make Sense of the **W**orld (of **S**in) Around US”. (“HUMANS” as “Freewill moral AGENTS” is a whole different “**T**OPIC” **N**OT being “addressed whatsoever”, here presently.) Many of US, in “**T**his World of **S**in” are not meant to reach “**S**uch **D**epth of **P**erception” on much of any given “**S**ubject **M**atter”, from the “Get Go”. [Still many of US do “**P**articipate (I.e. **I**nject OURSELVES with the **C**ancer Of **S**in.)” in

“Life’s **G**oings **O**n” with the continued “Introduction” of various “Inventions, Theories, and other Contributions” to “Society”, “Win, Lose, or Draw”.]

In other words, are any of US “Experts” in every “Field of Study”? No, of course not. WE are, many times, overwhelmed with just the “Advances” WE have to keep up with, in OUR “Particular Field of Study”. Furthermore, WE might be expected to keep up with “These Advancements”, as part of OUR “Job Requirements”, without the added burden of trying to keep abreast of each of the “Other (innumerable) Fields of Study”.

There’s An (HEAVENLY) APP. For That

So WE miss “Information” from the various other “Fields of Study”. Rest assured, “This” is taken into account, with these “Limitations” on the human BODY, “Factored In” and “Planned For” accordingly. →[I refer to this as looking at “Life (Within the confines of “Time”.) On Planet Earth Through a Key Hole”. There are many Bible verses, out there, to demonstrate these “Limitations”, from many different angles, for OUR “Ultimate Salvation”, except that is not the “Point” being made “here”. The “Point” to concern OURSELVES with here, is “WE are not all EXPERTS in everything”.]← This especially includes the one “Field of Study” that might help US see through this “Muck and Mire” a bit more “Clearly”, known as “The Study of God” or “Theology”.

The “Problem” being, the “Study of Theology” also has the ability to “Confuse US All The More”, for many different, just as varying “Reasons (Angles)”, more often then not, as well. I.e. “The Reason” most of US leave this “Subject Matter” to itself. “It is too Confusing” are the words from many a mouth, when asked, “Why they do not take a deeper interest, in this particular Field of Study”. (Cont. at →)

[Yet WE are supposedly already “Condemned” for this? “Excuse ME!” “**OBJECTION CREATOR(S)**”. P.S. MANKIND; I (too) AM trying to avoid “This Scenario” for all of MANKIND. This **IS** first and foremost, “Why I AM, first and foremost, a THEOLOGIAN in the first place.” Got “THAT”? **WHO** this **GOD CHARACTER** is (of which I

ALREADY INNATELY KNEW, without having to be a “THEOLOGIAN”) is second nature to that. I could care less about the “**G**od of this World’s P.R. **P**roblems”, unless, all of the sudden, those same “P.R. **P**roblems” (With the advent of the “Nuclear Age”), now appear to be dragging all of MANKIND, down the same “RAT Hole” with those (Their . . . Demonic Angelic Realms) “**S**ame **P**roblems”.

Now it **APPEARS**, what the “**B**ible **S**ays”, as the “**B**ible **S**ays”, “**W**hat will **H**appen, can **ACTUALLY H**appen”. Whoa, hold on there just one minute. “**T**here has got to be some kind of a **M**istake” going on “**H**ere” as well, if all these otherwise **CREATED INNOCENT PEOPLE NOW** find THEMSELVES just as “**I**nvolvement in **T**hese **H**appenings” as well. What did THEY ever do (Besides “Being **CREATED** In a **V**oid”), that caused THEM to **NOW BE** suddenly “**I**nvolvement” in this “**D**EITY versus **T**his Angelic Realm’s **SPIRITUAL*** Public Relations **P**roblem” to this “**L**evel of THEIR (MANKIND’S) **O**WN **D**estruction”?

(* Yeah “**SHE IS INVOLVED**” too. It’s “**CRAZY**” what MAN “**WILL DO**” for the “**LOVE** of a **WOMAN**”? More later.)

Since when does blowing up a small part of the “Physical Realm” solve a “**SPIRITUAL P**roblem”? If that be the case, then take this “**P**roblem” to Mars, and “**B**low the hell out of Mars if YOU want to” but leave this (presently) “**ONLY** Planet” for MANKIND (to dwell on) “Off Limits”.

Okay PEOPLE, it appears “**THEY** are **NOT** going to Mars”, but in the same sense, is MANKIND to be written off “As Lab RATS” in an otherwise “**S**uicidal **M**ission of **M**ass **D**estruction”? AM I the only ONE that sees this? That is where WE are headed if WE still do nothing, NOW!!! Therefore, does any BODY else, feeling “Pressed into Service” care to join in this “**O**peration” with ME?]

(← cont.) However, WE, not being an “Island”, still each “Partake of the Usage” of some of these “Other Advancements” in this World, though WE may not have “Contributed to the Implementing” of the various “Inventions, Theories, and other Contributions” WE do “Partake of”. Some of these “Implementations” are to make OUR lives easier, if not to get OUR “Jobs” done more efficiently, but some (if not all) have other “**S**ide **E**ffects” as well. All these other diversely

different “Achievements” in these other various “Fields of Study” for “Whatever Purpose” attests to OUR other, just as **IMPORTANT**, INDIVIDUAL “Purposes” in life, beside “Theology”.

For OTHERS of US, on the “extremely vague” side of the scale, it is hard to imagine a “Life Outside of Theology”. MANY in the “Vast Array of Other Fields of Study” have probably not **REALLY** pondered “Theology” much. Even THOSE in the “Vast Array of The World of **R**eligion” have, probably very little “Time” devoted (for continued “Employment’s Sake”) to the “Pondering of the World of Theology” in and of “Itself”.

Not to let “**T**his” go unnoticed, but, to “Function in the **R**eligious World” is an especially very “Busy” **W**orld to find ONESELF “Functioning **W**ithin”, especially if ONE is trying to keep up “any appearance” of being, to “Some Degree or Another”, “**C**redible” within this same “Said **F**ield”. This “**E**ndeavor” requires “Visitations”, **D**enominational Centered “**B**ible Studies”, “**P**RAYER GROUPS”, various “Meetings”, “The Preparing of Sermons”, “Marriages and Funerals” to conduct, lest WE forget various “**F**und **R**aising Functions”, to name but a few of the many “Time Consuming Tasks”, away from the Family, this “Occupation” requires. God (Not **G**OD) forbid, if in YOUR limited “Time To **R**ESearch (For “Sermon Preparation”)", YOU find YOUR “**V**IEW Of Theology”, in all this, decidedly cutting across “**D**enominational Lines”. (No “**W**orry” MATTIE. “It is still” all “Factored” into the “Equation”.)

At one time or another, various INDIVIDUALS may have “Gotten a **G**limpse”, as to why WE **M**ight (as in NOT) be “Here”. (Thus “Thinking” THEY “Arbitrarily” choose “THEIR” **O**ccupation, in order to “**P**reach the **M**AN will Save YOU”. See Matthew 24:4-5, 10-11, and 24.), That does **N**OT mean “THEY”, having “Chosen this **O**ccupation”, have seen the “**P**RI-MARY MISSION” along the “**W**AY”, as to “Why WE **A**RE HERE (**K**ingdom Of Heaven)” in the first place?

[To refresh OUR memory concerning OUR “**P**RI-MARY MISSION”; IT is the INDIVIDUAL “Mass **P**RO-DUCTION of **C**HRI-ST’S (both **M**ALE and **F**EMALE)” with no two **A**LIKE. (Becoming a **C**HRI-ST is not on most PEOPLE’S “Itinerary”.) Also keep in mind, forging ahead, this Chapters Title, “Sandhogs of the Bible”, and “There is a **H**eavenly App”, for this “P.R. Problem”. It is just such an App. of which, any one of US, do not have to worry about “Downloading”. It’s

HEAVENLY! Thought out, **PROCESSED**, Way ahead of any of this “_____” before it ever “hit the fan”. If I may Continue:

With ME, I kept requesting of **JESUS** for “Permission to Jump Ship” and start “Preaching (Thumping) the Bible” at MANKIND. “But **JESUS**, “All these various Doctrines Are Wrong and if I could just start showing THEM of THEIR Errors, thereby causing THEM to Correct THEIR Errant Doctrine, WE could then move ahead.”

Repeatedly, I was told to “**STAY THE COURSE**” and remain “**ABOARD SHIP**”. Thus I did, “To the **POINT**” where I could see in this “**AMAZING INSIGHT**” where the “Colleges” had become “Part of the Problem”. THEY (The “PEOPLE” of the “Institutions”.) became the “Solidification Part of the Problem”, if YOU will. This became self evident after the “Basic Acquisition Skills”, I already had, were confirmed, by the “College”, of ME. Then in the Supervised “Trainning (“Brainwashing” or “Bringing To Bear”) of Such Skills”, in Their (Deemed) “Proper Usage” of “Such Skills”, I was flat out asked to “Toe The Line” to assure THEIR “Continued Perpetuation” of “Their (The “Institution’s”) Portion of the Lie”.

(These “PEOPLE” are **FORGIVEN**. THEY had to follow suit. THEIR “Job” depended upon the “Perpetuation of their Denominational Lie” just as the “Soldiers had to drive the nails in **JESUS’** hands or too, “Lose their livelihood”.)

It was clearly pointed out to ME, across the board, in any of these “Religious Institutions”, if I hoped to seek any “Type of “Employment” in these “Religious Institutions”, I especially had to “Toe THEIR Line”. In other words, despite any “Biblical Interjections” to the contrary, I still had to measure up to the “Finished Product” THEY were “Putting Out”, or I would not be hired by that particular “Institution”. More like, I had to measure up to “Towing THEIR String of Lies” for the rest of MY life.

I reiterated to THEM, I was not “Here” for “Employment Reasons” to be counted in THEIR “Rank and File”. THEY could not figure out why I was spending MY money, going to “This College”, “Majoring In (This Version of) Theology (Which I could not “Adopt”.)” and **NOT** “Be” in search of “Employment” in THEIR “Rank and File”? Who else is going to “Hire” YOU, with a “Degree In OUR Theology” then US?

Do YOU **KNOW**, I AM on a “First Name Basis” with **JESUS** (**WHOM** THEY call “God”.) **WHO SENT ME** “Here”? Why don’t YOU just ask **HIM**?

Again, all these other diversely different “Achievements” in all these other various “Fields of Study” for “Whatever Purpose” attests to OUR other, just as **IMPORTANT**, INDIVIDUAL “Purposes” in life, beside “Theology”. **TRUST ME**, I applaud those PEOPLE as well, in THEIR various “Fields of Study” as I **PRAY** THEY can come up with a way to **INSTANTLY** neutralize the effects of a multitude of inbound Hydrogen Bombs, in the process. When that happens, via a means other than “Lasers”, then I will go back to fishing. However, until that happens, chances are, a **TRUE** “THEOLOGIAN” is YOUR next best safest “Bet” to otherwise put YOUR money on, and **HOPE** THEY do not get “Disturbed, or Side Tracked” in THEIR “Studies” to otherwise **RESOLVE** this issue for the **MUTUAL BENEFIT** of all **PARTIES (DEITY INCLUDED) INVOLVED**, as well.

What a strange “Calamity”? Concerning all of the **PARTIES INVOLVED**, MANKIND is the loose “Cannon” with the “Itchy Trigger Finger” WHOSE only place of residence, happens to be in the Physical Realm on Planet Earth. Any other mammal uses their Instinct (**SPIRITUAL INSIGHT**) to stay out of harms **W**ay.

Do YOU see the “Problem” yet? **JESUS** may have said, “**IT IS FINISHED**” to then “Die on a tree”, only to be later **RESURRECTED**, but the “Sin still remains”. What gives? Why did not the “Sin” then become vacuumed up in the “Void of Space” and **LEAVE THIS PLANET ALONE?** As with one man “Sin” entered this world, then why not with the Death, burial and **RESURRECTION** of **JESUS**, did not that same “Sin” suddenly vacate this World?

What of this “Sin Problem” still remains to be done? YOU would think, WE should be able to go to any given organized “Church” for the answer to that question? Right? **WRONG!** The PASTOR’S are paid, pretty much, to “tend the FLOCK”. YOU know, preach a sermon once and a while, bring in a few more parishioners, marry a few of these same parishioners, encourage community activities for various social events and possible conduct a funeral once and a while. That is all fine and well for the “Role of Pastor”.

Now if I may be more specific, aside from that, it is expected for the PASTOR to “Toe the Line” of the Church Doctrine (Dogma) and (continue to) “Corral the FLOCK” of which is paying THEIR wages. This might be the more appropriate “Role for a PASTOR’S Job”, of what is going on, “Behind the Scenes”. Any particular Denomination, for the most part, just wants the “FLOCK” to think they are in the “Right” Church, in order to keep THEM “happy”, and the money flowing in from the “FLOCK”.

Oh the “Denomination” does have a “Cookie Cutter Answer” to life’s “Tough Questions”, but in the “Answers”, which are usually put off into the far distant future, and “The Sin still remains”. With these “Answers” WE come away, patting OURSELVES on the back thinking, “Wow, at least WE are of the right Church”, and go about OUR daily “Drudgery” feeling no sense of “Urgency”.

If WE want something more concrete than the “Rehearsed” Answers, then WE soon find OURSELVES “Denomination” hopping around, in quest of these, different styled but nonetheless, “Cookie Cutter Fashioned Answers” elsewhere. Where does that then still leave US? With **HOPEFULLY** a very short drop and a very long rope still around OUR necks **PRAYING GOD** Grades on a (MASSIVE) Curve.

If WE choose to pursue this still further, WE suddenly find OURSELVES in need of the “Services” of an unbiased, lonely, hermit ... (Not by choice. See 2 Chronicles 18:7-27.) ... Of a “THEOLOGIAN (SANDHOG of the Bible)” to at least provide a **PLAUSIBLE** answer to “This Dilemma”. That is where THEOLOGIANS come into the picture and also where YOU might possibly **REALIZE** why “Churches” now are there, and have been there all along. “To Corral the Flock” so THEY get fewer stripes on **JUDGMENT DAY?** (Where’s that in the Bible?) YOU suddenly find YOURSELF urgently **PRAYING** to **GOD** that the THEOLOGIAN finds that answer for YOU, “Which **OFFICIALLY** cancels Adam’s Slice of this Sin Problem Pie”, for all MANKIND, before the **REALLY** big “Firecrackers”, with OUR NAMES on Them, get here.

[Do not “Fear” Them. (Matthew 10:28) That is all they are. Just a bunch of super big “Firecrackers” with enough Destructive Force to level this planet several times over, time and time again. Rather **RESPECT HIM WHO** has both YOUR BODY & **SOUL** in **HIS HANDS**.]

It is at this point in YOUR **QUEST**, I feel I have to tell the most of YOU, if YOU want fewer stripes, on **JUDGMENT DAY**, YOU best stay with YOUR “beloved” **C**hurch **G**ROUP, or at least “Keep **C**hurch Hopping”.

There is a rather squiggly pronounced fine line “In the Sand” between what WE “**K**now” and what WE are held “**ACCOUNTABLE** for **KNOWING**”. It is pronounce and squiggly because WE each have “Strengths and Weakness” of what WE “**K**now” as far as **C**hurch **D**ogma goes, and what WE take, simply on “**B**lind” **F**aith.

Any way YOU look at it, this is one “**Line in the Sand**”, WE either do **NOT** want to “Cross” or WE have to “Cross It” all the **WAY** to the other **SIDE**. This is one big “**S**andy **D**esert” WE do not want to be caught in the middle of because it soon turns into a “Raging Sea of Molten Liquid Glass” but only until it cools sufficiently to hold OUR weight (and the weight of an entire **HOLY CITY**) upon it, once again, while WE are Singing “Moses Song (I.e. The **10 COMMANDMENTS**)”. (Sorry WE asked? I will spare YOU the Bible Verses here. Just keep reading.)

Do not despair. “**C**hurch **D**octrine” is just a “**S**ide **I**ssue” if YOU will. It is still just a “**D**ecoy” of “**S**moke and **M**irrors” to simply “Corral” even the best of minds. Instead of fighting OUR “**W**ay” through endless manmade “**C**hurch **D**ogma”, which will “Still” be around, there is a better “**W**AY”.

In MY “**Q**uest”, in **NOT** being able to stop the inevitable manmade “**N**uclear **D**estruction”, I find I have to settle for OUR “**SECOND BEST OPTION**”. [Please, do not tell ME **THEY** don’t **PLAN** ahead. For YOUR **INFORMATION**, that manmade “Sea of Glass” is needed for the “Foundation (floor)” of **NEW JERUSALEM**. (Revelation 21:21b)]

OUR “**SECOND BEST OPTION**” (which as **ALWAYS** been OUR “**BEST OPTION**”) is the fact WE now have to get MANKIND out of “**H**arms **W**ay” of which, practically any **B**ible **S**TUDY will show YOU, brings US directly into the **PATH** of “**THEE HOLY GHOST**”. (Again, more later on this Particular “**PART** of **GABRIELLE’S JOB DESCRIPTION**”.)

If WE want to avoid the “Baptism By Fire” (Which is OUR “**T**hird **W**orst **O**ption”) of which **SHE** is the “**PROCURATOR FOR**”, WE have

to “**GO THROUGH**” **HER** to do so. No fooling the **GUESSER**, about YOUR age or YOUR weight, this time around. It is called “**KNOWING** the **TRUTH**” and the “**TRUTH** will **SET YOU FREE**”. Does that sound “**Burdensome**”?

I assure YOU, its not. This DOES **NOT** even (necessarily) involve some Serious **REPENTANCE**. Sorry Gorgey Porgey, **Repenting** from “College Binge Drinking” does not count, except to say, “It is a start” on OUR **WAY** to **REPENTING** from other more **Damning** “**LAWLESS**” activities YOU (ALL) have been “**Deceived** into **Keeping**”.

Do YOU see that? “**False Activities** with no Biblical Foundation, WE have been **Duped** [**Lied To**] into **Keeping**” all along from OUR forefathers, even.

What is so “**Burdensome**” about shedding off a “**Layer of Falsehood**”, like wooly Animals do every spring. What is so “**Burdensome**” about throwing the “**Yeast**” out of OUR house, every spring, in honor of what **JESUS DID** for US while nailed to a piece of wood. It is called “**Passover**” and goes along with the (*1st) “**EIGHT DAY FEAST** of Unleavened Bread” where “**Yeast**” simply represents “**Sins**” in OUR Lives. (* YOU **ARE FIRST & FOREMOST MADE RIGHTEOUS** for the **OTHER** non-burdensome **FEAST DAYS**, that follow.)

If YOU want to know, “**What is Burdensome**” try “**Living in Sin**”. Talk about having to feed a nasty habit? “**FREEDOM** is the ability to choose to do that which is **RIGHT**.” (Thanks Bill Gothard for YOUR “**Institute Of Basic Youth Conflicts**”.) If YOU are weighed down with the “**Burden’s of Sin**”, YOU have no choice but to choose, moment by moment, to continue in that “**Life of Sin**”, which is no “**LIFE**” at all, day in and day out. Where is the “**JOY**” in **That “Lifestyle”**?

Let ME start with where I was once in MY “**Lifestyle**”. There was a time, where I could not touch this (1) “**TOPIC** of **GABRIELLE**” or (2) “**Gynecology**” for that matter, for the same reasons. In my previous Born Again, “**State of Being**”, with this most resent “**SUBJECT MATTER** of **GABRIELLE**”, I would have had much more severe “**Stripes**” added to MY **Punishment**. With the other (2nd) “**Subject Matter**”, even as a Doctor of Gynecology, the most that could happen to me, is I would (only) be in jail for an extended stay at the “**Grey Bar Motel**”. Talk about a “**Burden**”? I could not even talk to

a woman without mentally “Coveting” her, from that point forward, repeatedly throughout the day.

When the opportunity came along, at a Baptist Church Altar Call, I gladly laid MY “Adulterous Mind” on the altar and I have not looked back ever since. Oh, I still enjoy the beauty and the company of WOMEN, except now, THEY are beautiful BEINGS, of which I can carry on a conversation with, instead of viewing THEM as (1) a “Piece of Meat” on a hook at the local meat locker. I found I also had (2) put THEM in THEIR proper **PERSPECTIVE** in MY though **PROCESS**, which gave ME a whole new appreciation for not only MANKIND as a WHOLE, but for MY **CREATORS (MALE and FEMALE) ABILITY TO DO THIS CLEANSING PROCESS** through ME, as well. (Did I hear an “**AMEN**” in the CROWD somewhere?)

What a “Burden”? I really had to struggle with MYSELF to get rid of this “Personally Preferred Sin”. In comparison, going from the False “sun day Worship” to “**SABBATH KEEPING**” (and all that “Entails”) was a **BREEZE** compared to the mental **PROCESS** I had to endure to bring MY thought **PROCESS** in line with “Not Coveting”.

Well-trodden paths, in MY mind, had been made over the years due to MY Unrestricted Thought Process of which “had to be broken”. The “**SPiRiT OF LOVE**”, through much **PRAYER**, Substitution (i.e. Replacing “other material” with Bible Reading), and **FASTING**, took away those “Carnal Paths”, replacing “Them” with instead, “**SPiRiTUAL INROADS**”, thus giving ME back, greater access to the rest of MY brain, as well.

Now I have the “**BEST**” of both Worlds. I AM “**FREE**” as a “tear drop is to blend into the oceans (The “Seas” of Revelations means PEOPLE)”, but I can still function within the confines of “Church Doctrine”. For ME to later, simply begin the “Study of **GABRIELLE**” parallels nothing short of the “Intricate Detailed Study of the Female Body” and all of those various facets both mentally and physically, across the board.

Without having first gone through an “Extensive Cleansing (**TRAINING**) **PROCESS**” from many different independent “**SOURCES**”, from many different independent angles, over many years, both as a single person and then having a beautiful MATE, would have been a “Greater Sin” for ME to otherwise do so. I, then, after this “Extensive **TRAINING PROCESS**”, had to be **PERSUADED**

to venture back down this “Course of MY Life” except this time around, without “Sinning”. [**YOU** a want ME to **STUDY (LOOK INTO, DABBLE)** with **WHO, WHAT, WHEN? THERE’S** two of **THEM!**] Talk about giving an “Ex-Alcoholic a Drink”.

Every “Thought (Cell) of MY Mental **PROCESS (SPIRITUAL REALM)**”, had been (past tense) “**TRAINED** (and “Tested”) **NOT** to **L**ust (“**C**ovet” among other things)”. I might as well be handing out towels to the ladies coming out of the showers, at the Championship Volley Ball Tournament.

P.S. Helping the LADIES, or the GENTLEMEN, out of a **D**itch in whatever “**C**ondition” THEY may be in, “Is Not A “**S**in”. It may be a greater “**S**in” to not lend a helping hand, especially if “Such a PERSON” is now “**TRAINED**” to do so. (Thus, **THESE WRITINGS** attest to the “**F**ruit” of this SOUL, now.) Considering how “blind and **Naked**” the Church of Laodicea could be **SPIRITUALLY**, the Harvest **TRULY** is plenty, but the **TRAINED** LABORS still are very few.

In deep sea diving, WE sink rather quickly but spend the next 8 hours slowly getting back to the surface, so as to not suffer from the “bends”. In THEOLOGY, it is a different scenario. WE take a few hours getting down to this “Level of **U**nderstanding” before WE are even partially actuated to be able to “Explore” down here at all “At This Depth”. Be it known, even after all this preparation, WE can still be pulled out instantly, unknowingly to US, via this vehicle called “**D**eath”, or, in other words, an “Instant Implosions (Interruption) of the Thought Process” at these depths. See * below.

Finally before WE get on with the continuation of this “**T**OPIC” in the next Chapter, I have to ask each of YOU to please check YOUR “**B**iases” at the door. Any preconceived “**I**deas” just floundered YOUR whole expedition. It is like putting a magnet beside a compass.

*Any past time spent getting to this level could be lost. It is like all of what YOU have been training for is finally coming together. A preconceived “**B**ias” can “Implode” what has thus far been spent getting YOU to where YOU are supposed to be, doing what YOU are supposed to be doing, all along.
