

Chapter 1

20/20 Vision And I Can't See A Thing

I have only **INTRODUCED** YOU to a few “Realms” of which WE (MANKIND) **KNOW** very little about, from the “Confines” of OUR very narrow “Band of Physical Mental **EXISTENCE (PERCEPTION)**”. Just because WE cannot “Feel it, See It, Hear It, Smell It, or Taste It”, as processed in OUR INTELLECTUAL (**SPIRITUAL**) state of BEING, that does not mean “Something” such as “**LOVE**” (as but one example), does not exist. This gets **REAL COMPLICATED** (Not “**C**onfusing”. If YOU want “**C**onfusion”, that is a different “**E**ntity”, entirely.) real fast.

Allow ME to introduce YOU to a few more of these “Realms” outside the “MASS between OUR ears”, of which WE are going to look a little more in-depth “Into” (some of) these different “Realms”. Before WE take off, please make sure “all Trays” are in their upright position and fasten YOUR **SPIRITUAL** seat belts. (P.s. WE were created to “fly” universally.)

First off, if YOU want “Something” to be totally “Invisible” to OUR “Senses”, simply build (**CREATE**) it outside OUR limited “Sense of Perception”, which really is not that hard to do. I believe Science may refer to these as “Parallel Universe”. (More later on this subject matter.) As an example; there is the City of New Jerusalem, the size of Colorado, built and ready to be **TRANSPosed** down Here. Oh it is already constructed, but presently warehoused, out of sight, off sight of the “Staging Area” otherwise know as “Planet Earth”. This is but one example of what OUR **CREATORS** have done outside of OUR “Senses”.

WE do it too, in the physical world, ever increasingly more. Do YOU see the Director yelling “Action”, when YOU sit down to enjoy a movie at home or in the movie theater? Where would WE be today without the various “Air Waves” which give US OUR radio waves, OUR Cellular Phone Networks, OUR Satellite Communications and even OUR Television Programs, but to name a few of these manmade items otherwise invisible to our various “Senses”? Granted, WE eventually hear and see (some of) what these otherwise invisible systems can accomplish, but WE just cannot (always) perceive the mechanics of how they work.

The Problem is, those concepts can work for US both "Ways". If YOU want US to "Believe Anything", simply take what is built (**CREATED**) outside OUR limited "Sense of Perception" and because WE do not "Understand Totally" how something works, WE can tend to call "It" ... "God". See Daniel 5:4 and 5:23. Possibly, the more WE learn, then the fewer things WE may find OURSELVES calling "God".

[Before WE get too involved here, never mind "The (physical) Heavens Declare **HIS GLORY**". If YOU get lost, the nice thing about **DWELLING** (**PROCESSING** everything) in the **SPIRITUAL REALM**, WE (MANKIND) just need to "close OUR eyes" and "**SEE THEM**", away from "All this outside Confusion" of the Physical Realm. That is the **BEAUTY** of **BEING DEITY**. While WE (MANKIND) **ARE** "Stuck In This Limbo" between the Physical and **SPIRITUAL REALMS**, **DEITY OCCUPIES** both and are fully **FUNCTIONAL** in "**ALL ASPECTS** of **THEIR ETERNAL EXISTENCE**". Angels do not have that kind of **AUTHORITY**. Even at this late "Stage in the Game", They still need "Clearance" for what They hope to accomplish. See Job 1 and 2.]

[Please Note: When I talk of the "Realm of Change", "Change" can occur with MANKIND both "**INTERNALLY (SPIRITUALLY)**" and "externally (Physically)" totally disassociated of the other "Realms". That is "**NOT SO**" concerning the "**SPIRITS OF LOVE** and Change". "**LOVE is LOVE**" and cannot cease being "**THAT**".]

[These are not numbered (# ?) in any particular order, and especially not in any particular order of importance, by any means. If anything, these "may appear" to be "Ascending in Order" of importance, to some extent though. That is totally bogus however. The LIVING (Angels included) takes precedence over anything non-living, and especially "In a decaying State". Things in a "State of Decay" WE (MANKIND) are specifically **CREATED** to "Reverse", which includes the "Whole of the UNIVERSE". Having clarified this, let US begin.]

A few of these other "Areas" are "(# 1) Time, (# 2) Space, and (# 3) Change", which WE are familiar with. Then there is (# 4) OUR Angelic Friends, various (# 5) "Staging Areas" (of which "All" count as

but one), (# 6) “**ETERNITY**”, and a (HOLY # 7) yet to be **CREATED** (Enacted) physical “**COLOSSAL KINGDOM OF HEAVEN**”.

[I AM **TALKING ABOUT A
PHYSICAL**

(ESTABLISHED, INHABITED, FULLY FUNCTIONAL)

COLOSSAL KINGDOM OF HEAVEN

with MANKIND, assuming **THEIR**
proper “**ROLES**”
as male **CHRIST'** and female **CHRIST'**

(“Magenta”, is the “Color Code” for
“**MALE** and **FEMALE**” **DEITY WORKING TOGETHER**.
It still is the Color for “**MALE** and **FEMALE**” **DEITY** Except
This time “Magenta” is referring to the former “MANKIND”)

**EMPOWERED BY THEE SPIRIT
OPERATING TOGETHER**

As HUMAN **CHRIST'** NOW
in this the “Physical Realm”, no less.
This is **OUR** (MANKIND'S) **DESTINY**.

Do YOU see this **COLOSSAL KINGDOM OF HEAVEN**, up and **RUNNING** in the physical Realm, with **THEE SPIRIT OF LOVE MOTHER**, and **THEE SPIRIT OF LOVE FATHER** at the **HELM** (in **OPERATION**) yet? Neither do I.

Presently, WE deal with the “**VAST**” (# 8) **SPIRITUAL REALM**. This **REALM**, in **ITSELF** has many **ASPECTS**, of which, especially includes the **PRESENCE OF DEITY** thereby causing this **REALM** to be **INCOMPREHENSIBLE**. (Psalms 145:3, Jeremiah 33:3, Romans 11:33. That is not all that is “**INCOMPREHENSIBLE**” as YOU will soon see.)

(**START** the **MUSIC OF PRAISE**.)

I cannot begin to **INTRODUCE** “**THESE ASPECTS**” of the “**MELCHIZEDEK ORDER**” to YOU [**PERIOD**] No BODY can. (See Psalms 145:3, Eph 3:8-9.)

[**HEAR** the **MUSIC OF PRAISE PLAYING?** **CRYING** I AM telling YOU ... YOU cannot enter **THEIR PRESENCE (PURE LOVE)** without the **MUSIC OF JOY COMING FROM YOUR OWN LIPS. THEY LOVE YOU.**]

HOLY HOLY HOLY.

Keep in mind (That “**PLACE** between OUR ears” where WE each totally **DWELL SPIRITUALLY** with OUR **DEITY**.... I know! That is hard to comprehend. A lot of YOU are probably asking, “How did **E**volution accomplish that?”)... I will start over. Please keep in mind; before any of US can do “Anything”, WE **OWE** this **ABILITY** to do “ANYTHING” (That is **FUNCTION** “AT ALL” mentally, or physically. Including what WE **ARE** mentally processing this **INSTANT.**), to **THIS VERY LOVING DEITY** having **ALREADY PLANNED** this out in **THEIR ETERNAL (OUR) PRE-EXISTENCE.**

Meaning **THEY WERE HERE** long before any of US. Whether YOU “Agree, Disagree, or are Indifferent”, YOUR ability to at least “Be Able To Think (**SPIRITUALLY ACT**) In Those Terms”, are because **THEY FIRST** decided to **ACT** concerning the **CREATION** of MANKIND. To that can WE at least say “Amen”?

In **THEIR LOVE** for US, which **THEY** cannot shut off, and **ARE** one hundred percent of (**THEY ARE** not 50 percent “**LOVE**” and 50 percent “**H**atred”.) **LOVE, THEY WANT** what is best for each of YOU **CONTINUOUSLY** as **CHRIST’** (female = **CHRIST’**). In return, **THEY WANT YOUR BEST** and YOU cannot help but to **GIVE THEM YOUR BEST ALWAYS** because “**LOVE**” **DWELLING** in each of US “**IS** (just that) **LOVE**”. Even if that “**BEST**” of YOUR “Attention” is directed at YOUR worst ENEMY, **ALWAYS**, YOU still have the ability to “focus” upon that BEING. (See that **PERSON** in line, behind YOUR worst ENEMY? Yeah, YOU guessed it. That is **JESUS, PRODDING** THEM along as well.)

NOW “Try being afraid” while “**SINGING SONG’S OF PRAISE**” at the same time. It is an utter impossibility. It is “**ONE**” or “The

Other” of which I **PRAY**, “**JOY**” always overrules. I cannot go any further, until each of YOU **ARE** bubbling over with **JOY UNSPEAKABLE** before WE proceed. WE will be treading upon **HOLY GROUND**.

The word “**VAST**” falls way to short of attempting to describe this (# 8 still) “Unfathomable **REALM**” of even OUR OWN very **EXISTENCE**, as YOU will soon see. It would be easier to introduce each of MANKIND to every “Grain of Sand in the **UNIVERSE**”, with a hundred year interlude per introduction, then to address this “**TOPIC CONCERNING** the Tetrad (4) of **DEITIES**”.

In “Base 10 (more later)” a “quadrillion” **POINTS** down the line, in every direction, WE are dealing with a **TETRAD** (four) of **DEITIES** consisting of two **MALE** ...

{**FATHER** [The “Father (I.e. Mother)” concept is something WE can fathom, or relate too, but this concept falls **Way** short. **DEITY** is **UNSEARCHABLE**.] / **SON** [“Son (I.e. Daughter)” is simply another “Concept” WE can fathom, but again, falls **Way** short. WE are the ONES in a “bottle with a cork on it”, “**T**rying to **C**omprehend” **THESE DEITY FIGURES**, in a **R**estricting word **WHOM** WE call “Son”.] **JESUS**.

When John in Revelation 5:6b describes **JESUS** as having “**SEVEN HORNS, SEVEN EYES, SEVEN SPIRITS OF GOD, THESE ARE** multipliers of **POWERS CUBED**. I mean multipliers of Powers of Ten, or more, as WE know multipliers to be to the Nth Power. [More real soon.] Now **CUBE** those **POWERS** and WE are still no closer to **UNDERSTANDING DEITY**.”}

... and two **FEMALE** (Equally **UNSEARCHABLE, MOTHER ABIGHIYL** / and just as **UNCONSTRAINED DAUGHTER GABRIELLE**, each with different “Colors” assigned each of **THEM**.) **DEITY, EACH** of which have **UNFATHOMABLE POSSIBILITIES** and **POWERS**. Having briefly **INTRODUCED** YOU to four **DEITY**;

Concerning MANKIND, I rise to a “**POINT OF ORDER**”.

Again, **THESE DEITY** is a whole lot more **INTELLIGENT** then WE give **THEM CREDIT** for. “Consider **THAT**” ... when **THEY DO**

NOT GIVE US what **WE** deserve and when **THEY DO GIVE US** what **WE DO NOT DESERVE**. (I.e. **CHRISTHOOD** for MANKIND.) A little **RESPECT [HONOR THY** (closer maternal) **TRUE MOTHER (GABRIELLE)** and **THY** (closer maternal) **TRUE FATHER (JESUS)** that **THY** days may be **PROLONGED**.] would go a long **WAY**, at least from **“HERE”** on out.

Shall **WE NOW** ...

(This **“NOW”** is referring to **“EVER-PRESENT”** as in always **“AVAILABLE”**.) The following **TRAITS ARE** (# 9) **“EVER-PRESENT TRAITS** of **DEITY ONLY REALMS** of **EXISTENCE”**. [Need I remind each of **YOU**, **ALL** of these **TRAITS** are **OURS** as **CHRIST’** to be had, **EQUALLY (UNSEARCHABLE)** with **DEITY**.]

Let **US EVER-PRESENT** include these **TRAITS**:

- : (# 10) **OMNIPOTENT** (All powerful.),
- : (# 11) **OMNIFICIENT** (Unlimited in creative power.),
- : (# 12) **OMNI-PRESCIENT** (Infinite awareness, understanding, and insight. I.e. **“COMPLETE KNOWLEDGE”** forward in “Time” and backwards as well. **ETERNITY** is **THEE** “Absence of Time”).),
- : (# 13) **OMNIPRESENT** (Present in all times, at all places.),
- : (# 14) **ETERNAL** (Infinite duration; timeless.),
- : (# 15) **A-PHYSICAL** (Not subject to material existence or characteristics of the physical realm.),
- : (# 16) **INSCRUTABLE** (Not readily investigated. Ps 145:3),
- : (# 17) **INCOMPREHENSIBLE** (Subject to no limits.),

with regards to **DEITY ATTRIBUTES**, but to name a few. (See also Joel 2:28; John 4:24; Acts 2:17; Romans 8:9, 14,16, 15:9; 1 Corinthians 2:10-12, 14, 3:16, 6:11; 2 Corinthians 3:3; Ephesians 1:3,17, 2:22; 1 Thessalonians 4:8; Revelation 3:1, 4:5, 5:6.)

Most of **US** would feel honored to have a small portion of any “one” of these traits, but that is not the case with **DEITY**. **THEY** are fully **ENCOMPASSING** of all of these few named **TRAITS** combined, through and through, without any shadow of straying from any one of these **TRAITS**. Furthermore, these **TRAITS** are not stacked upon each other like a short stack of pancakes. **THEY ARE** intertwined

with each other to “**INFINITE LEVELS** of **PEAK PERFORMANCE**” **INSEPARABLE** (# 18) from each other, as multipliers to various powers.

While WE are on multipliers, if YOU think WE are talking in “Powers in a Base Ten Numeral System”, forget it. YOU do not keep “Track of Universal **POWERS**”, much less “Grains of Sand”, if not “hairs on all Species”, by counting on YOUR fingers and toes, based upon “Divisions of 10”. WE have long since ran out of the English and Greek alphabet before WE get close to the “Base Count” WE are dealing with to keep “Track of This Universe”. Counting to a quadrillion, with this “Base To The Nth Power System” in place is but a “Blink of OUR **CREATOR’S** eye.”

Rumor has it; MANKIND has a “Binary System” running everything. It is either “On or Off”? What kind of an “Operating System” is that for the continued “Operation of a Multitude of Universes”? I guess WE will simply have to shut “Orion” down every other nanosecond, in coordination with “Pegasus” on the opposite nanoseconds. Every other billionth year YOU might see the light getting back to Planet Earth. NOT.

That is but a few details mentioned, of which I have not even mentioned the **GREATEST** of **ALL REALMS** that makes whatever WE do **PLAUSIBLE** in the first place. Everything mentioned thus far is simply “**COGS**” (Sorry “**DEITY**”) in the wheel, being there to cause the “Physical Realm” to possibly **OPERATE** in conjunction with the “**SPIRITUAL REALM**” at all, but all for what?

Are WE blowing an unfamiliar trumpet sound just to make a noise? Are WE “tinkling cymbals” that nobody can understand its meaning? What is with the “Song Birds” if trees have no ears? Without this next “**ASPECT**”, WE might as well be planted (immovable) trees without ears unable to reach out and “Touch” each OTHER.

Okay, before I get into this next “**AREA**”, **LISTEN**. I AM not leaving this particular “**POINT**” out intentionally. The “Physical **ABILITY** to Physically **BE ABLE TO** Touch each OTHER” is another “**REALM** Alluded To” but purposely not numbered (# ?) in this “Area of Presentment” (presently). “Alluded To” in that the “Sense of

Touch” is still but tid-bits of “**INFORMATION PROCESSED (ACKNOWLEDGED)**” in the “**SPIRITUAL REALM**”. In contrast, “What **INFORMATION**” does a “Brain Dead” victim of an accident (or **E**volution), process?

In a nutshell, without having to come right out and say the **OBVIOUS**, all **THIS** other “**SUPERSTRUCTURE**” is **LOVINGLY** in place, for each of US to be able to first “Go Through the **MOTIONS**” in order to be able to “**TOUCH** (have an **EFFECT** upon)” each OTHER, in all **ASPECTS** of **LIFE**.

(“My my, my.” What WE do to attract OTHERS to OUR “plight” thinking “THEY too” want a “Part of This”? More like “Misery loves Company”. This is **NOT** just LIMITED to the Physical “brain dead” Realm of which “Nothing” is experienced.) In other **WORDS**, YOU need the **SPIRITUAL REALM** to even begin to be able to feel (Dah... **COMPREHEND**) the physical “Touch”, or else YOU are a “brainless (Senseless)” tree. P.s. This “Sense of Feeling (Sensation)” even happens in OUR “Dreams Stages” especially, when WE are physically not touching anything except through OUR “Dreams”.

WOW, WHAT “VAST” immeasurable **INTELLIGENCE** figured all **THIS** out, ahead of “Time” and put “**IT**” into **PLAY**?

Enough said? To continue:

Having set the stage; let ME bring in the “**ASPECT OF LOVE**”. “**THIS** (# 19) **DIMENSION OF LOVE**” is a whole other “**DIMENSION**” in and of “**ITSELF**” again. “**LOVE**” **ALONE** (Or the “Lack thereof **LOVE**”), can **ENCOMPASS** all WE **KNOW**, **SAY**, or **DO** “To its **OWN INFINITE** Degree”. “**LOVE**” is the **ATTRIBUTE** (**LUBRICANT / GREASE** ... “**ANOINTING OIL**” if YOU will.) of which “**ALL** of the **ABOVE SUPERSTRUCTURE (COGS)**” is set up with “**REGARDS** too”, **INDEFINITELY**.

What (else) can I **SAY** concerning “**LOVE**”? “**IT**” is only the central **REASON** why everything else **PROCEEDS** out of this BODY. “**IT**” is what these **WRITING** have been **PROCLAIMING** all along. Therefore, the best **ADVICE** I can give YOU concerning “**LOVE**” is simply to keep reading.

How much different things would be if there were any other "Motivating Factor" at **WORK** "**HERE** (i.e. **Thee Kingdom Of HEAVEN**)" besides **LOVE**?

Mind if I ask? What do YOU think WE are presently **DEALING** with "Here (Kingdoms of Earth)", now? With "This Sin" (limited **ONLY** to this "Sin Sick" planet Earth) WE are dealing with "Here" on a daily basis? Is "**LOVE**" always the motivating factor WE are dealing with "Here"? AM I the only one that can see this? WE are in a "Lesser Angelic Order", dealing with another "Motivating Factor" besides "**LOVE**", calling the "Shots" (literally). Could it be, **MANKIND** (as **CHRIST'** and **CHRIST'**) comes into the picture to bring "This Sin Problem" to "Its" conclusion, "**ONE WAY**" or "Another".

(A "Behind the Scenes" **HINT** MANKIND.) The whole Angelic Realm (not to mention "All of **CREATION**") **JUST WANTS** more **JESUS'** and **GABRIELLE'S** (or "**LOVE PERSONIFIED PERSONALITIES**") in the "**LIKENESS** (IMAGE) of (i.e. **THEE SPIRIT OF LOVE FATHER** and **THEE SPIRIT OF LOVE MOTHER**) **GOD** (i.e. MANKIND)", **RUNNING** around "**HERE**". The **HINT** being: Once MANKIND has **ACHIEVED** this **OBJECTIVE**, WE do not have to "then" **B**low "This (rather HISTORICAL) Planet" to smithereens.

LISTEN MANKIND, this is a pretty **GOOD OFFER**. If the Angelic Realm **JUST WANTS** more **CHRIST'**, WE (MANKIND) have been shown to be more than **GLADLY** willing to **ACCOMMODATE** (as in "**COPULATE**") the Angels with this "Part of The Equation". (As an added bonus there are "No Two alike", or ... "with the same PERSONALITY".) In other words, it is not a problem to simply produce more **MALE** and **FEMALE CHRIST'**. That is not a problem for human BEINGS, what so ever.

WE, especially now can easily **MAKE** billions of future **CHRIST'** practically "Overnight" if YOU get MY drift. YOU do the math. With a minimum of seven billion PEOPLE, as **CHRIST'** (where the creation of "Food" is not a problem) having sexual INTERCOURSE for the duration of the "**AGE Of The AGES**".

What WE (MANKIND) do bring to the "**PEACE TALKS**" between the "Angelic Realm and **DEITY**", is OUR readily made sheer volume in numbers (Capable of doubling "Overnight"), and OUR

(manmade) “Nukes”. **SURELY** WE can **WORK** something out, “**ONE WAY**” or “**A**nother”.

As a side note: The other “**F**actor” in this “**P**roblem (Equation)” WE bring to the “**T**ABLE” is, “human **P**ride”. WE have nothing to be “Proud” of that is OUR own. At best, WE might discover an underlying “Principle already in action”, and get to name the “Principle”. Then WE take this discovered “Principle” and design things accordingly. (Where would “Aviation” be without first applying discovered “Principles” of OUR feathered friends?) In other words, “**S**in” is not the only “**T**hing” that **D**estroys Everything **I**t Touches”, MY **P**roud, **A**rrogant FRIENDS.

I do not mean to dwell upon these “various points” but the **ORDER OF AUTHORITY** above the Angelic Order “Does not kill, maim, murder, or destroy”, per say. (Without “Super Nova’s” WE would only have 16 “Elements”, but who of US can speak “Gold” into existence? That is another “Topic”.) King and Priest Melchizedek should **KNOW** a few **THINGS** about the **MELCHIZEDEK ORDER**. The **PROOF** is in the fact, if “**THEE ABOVE ORDER**” **DID** “kill, maim, murder, or destroy”, the whole of the Angelic Realm and MANKIND would have long ago, “Ceased to Exist”. Furthermore, the Angelic Realm is having way too much fun to ever want to bring about Their Own **D**emise. That leaves deceived (Not **ALL-KNOWING**) MANKIND to “**R**ush in” where Angels “**F**ear to tread”. WE (having discovered underlying “Principles”) bring the “**M**eans” for the “**B**aptism by **F**ire” to “The Table”. That does not mean WE have to “**U**se” OUR extremely large “**F**irecrackers”.

If That’s Not An Understatement

Before moving on to the next chapter, I feel I have to clarify a “few” Points. Please notice I did not start counting with the “Seven Levels” in the “Ascension of Isaiah”, but they are included in the numbering system. I simply expanded (clarified) the “3rd Heaven”, of which Paul (2 Corinthians 12:2) tries to tuck all these other “**GOINGS ON**” nicely into. “The Ascension of Isaiah” tell US the “3rd Heaven” is “Seven Vertical Levels” in ascending and descending order of which I included the “Lower Level” as “Point # 2”, and the “7th Level” as part

of the **“SPIRITUAL REALM”** in “Point # 8”. Then I brought out the different “Levels”, as being linear also, in their horizontal Existence, as well.

Isaiah’s “Linear” in between “Levels (Isaiah’s 2 thru 6)” are included as “Point # 5’s Various Staging Areas” except I do not limit the number of “Linear Staging Areas” to any specific number. In that any number of “Staging Areas”, on any number of the horizontal “Levels”, can be set up in any one of Isaiah’s Vertical Levels. What is being done “Behind the Scenes” on Isaiah’s “Level Three”, may be being conducted “out of sight” on Isaiah’s “Level Four”. WHO are WE to limit the **UNLIMITED CREATIVE POWER** of **DEITY** on the Horizontal or Vertical Playing Fields? Therefore, Paul (and Thecla), Isaiah and MYSELF are all in agreement with each other still. Paul put the “Milk of **REPENTANCE**” on the Table, while I simply bring the “Meat in Due Season” to the Table.

Did I mention, each of these noted **“REALMS”** exist in and of THEMSELVES “On The **SIDE** Of **GOOD**”? Of which, without (For example, just to single a couple “Items” out.) “Time (or Gravity)” by “itself” would not “Exist”. What can I say here? “Time (or Gravity)” is not needed, and being in “Time (or Gravity)” is being in a “Primitive Place” to be, by far. “Time (or Gravity)” does not make up half of any equation, by any means. “Time (and Gravity)” is just one little “Attribute” of a whole “Series of Attributes” thrown together to give Planet Earth (This “Staging Area”) its **“ORDERED”** characteristics and the remote possibility to “Existing”, as it does, at all.

Of which, for OUR (MANKIND’S) existence (for example still), “Time” does not even have to be in the equation. Think of “Time” as but one small “Mosaic Stone” in a whole “Series of Mosaic Pebbles” simply in place to form this “Bigger Picture with these particular Attributes (Mosaic Pebbles)”, thrown together, this time around. Yeah, WE are dependent upon this “Other **STUFF**” **WORKING**, “Behind The Scenes” for OUR very (non-**“SPIRITUAL”**) physical “Existence”, of which, this time around, happens to include “Time (and Gravity)”.

(Furthermore, “Time” is variable from “Standing Still Indefinitely” to blazing by US at the “Speed of Light”. WE are simply dealing with “Time” set somewhere in between those two extremes, presently.)

Thus this particular “Time, Space, and Change Continuum” does not even come close to qualifying as a godless “Parallel Universe” what so ever. Without the various “Attributes Thrown Together (including the attribute of “Automation”)”, in and of “Itself”, nothing, including a “Parallel Universe”, would exist much less co-exist. In other words, if “Time, Space, and Change” is on going, on one or more of the various “Levels”, within the various “Linear Staging Areas”, there still is need of a **FATHER** type **FIGURE CREATOR** in the **ACT** to continuously be “**SUSTAINED**” especially with these additional “**S**inful **G**oings On”.
