## Foreword

### The More WE Know WE Don't Know (SHIPS Adrift Due To What WE Do **NOT KNOW**)

For starters, things are a bit more complicated than what meets the eye. For example, the word “God”, in English print, is not merely “God” if its source comes from the Hebrew word “Elohim” and simply put to print as “God”. I do not consider substituting “God” for the word “ELOHIM” as being “properly translated” by any stretch of the imagination. The **TRUE INTENT** of the meaning of the “Word” is still hidden from the PEOPLE for that particular language. Thus the reason for having something “Translated” in the first place is “negated”.

What do I mean? I AM talking about the complexity of one single word, spelled out “**ELOHIM**”. Before I begin to dissect (NOT) this word;

For example, please take Special Notice of this: (As Downloaded from the Internet in color.) Concerning **DEITY**, it gets real complicated real fast. Let ME explain. The color “**Magenta**” is reserved for when I AM referencing a female **DEITY WORKING** with a male **DEITY**, or if I AM referencing **THEE MOTHER** and **THEE DAUGHTER DEITIES**, each with **THEIR** own color, **WORKING** together. If a female **DEITY** is “In The Mix” with a male **DEITY**, or two female **DEITIES**, are “In The **MIX**”, **WORKING** together, the color is “**Magenta**”.

On the other hand, if I AM referring to just **JESUS** and the **FATHER WORKING** together then the color is “**RED**”, of which the word “Elohim” does not allow. The “im” ending is “feminine plural” of which would be translated as GODS in the color “Magenta” at the very least. Never mind it is referencing all four **DEITY**, in just this one word.

Again, I cannot over emphasize this. Any masculinized “Form of The Bible” should be, at the very least, “Color Coded”. The color “Purple” (Representing **ROYALTY** as well as **THEE KINGDOM OF HEAVEN**.) is **THEE MOTHER’S** color and green is **THEE DAUGHTER’S** color. However, again, if a **FEMALE DEITY** is involved in any of **THEIR (MOTHER and/or DAUGHTER) SPIRITUAL** (or **OTHERWISE) MANIFESTATION’S COMBINED**,

then the color used is “Magenta”. I AM **TELLING YOU THIS**, because each of **THEIR INFLUENCE’S** is that **IMPORTANT** to be color-coded separately, and together, in this manner. For example, if I AM referring to **JESUS** and **GABRIELLE WORKING TOGETHER**, the color “Magenta” is used. If it is just the **MOTHER** or **DAUGHTER WORKING** alone, then **THEY** each get **THEIR OWN** individual color of Purple or Green, respectfully.

Along those same lines, if I AM referring to a male **HUMAN(S)** and a female **HUMAN(S)** that have broken through to **ACCESS** the **MYSTERY** of **CHRISTHOOD** for **MANKIND, WORKING** together (as **MALE** and **FEMALE**) as **CHRIST’**, then **THEY** too are “Color Coded Magenta” as well. Two (human) **MALES WORKING TOGETHER**, as **“CHRIST”** are “Color Coded Red”.

In case YOU are wondering, **CHRISTHOOD** for all MANKIND (**MALE** and **FEMALE**) is the **GOAL** “Here (Kingdom’s of Earth)” PEOPLE. More as WE go along.

Things are a bit more complicated **HERE (KINGDOM OF HEAVEN)** then what may first appear. I AM simply trying to simplify these complications as best I can with the Earthly “Words” I have to work with. As another example, on the conservative side, there are at least seven other Realms of Existence, of which WE know absolutely nothing about that makes all, of what WE do know, possible. (Please note: This is not the “Blue” color-coded **“KNOW”**. I use “Blue” in MY “Color-Coding System” as representing **“TRUTH”**.)

See “Ascension of Isaiah” of which YOU can download from the Internet. This “Book” was not “Canonized in The Bible”, which has its advantages. I.e. by not being “Canonized”, this book (and various other “Books”) missed, (as YOU will soon see), the added “Scrutiny” of this world’s “Deceptive Stipulations”, being added to “Them”. The fact it was penned by “Isaiah” towards the end of The Nation of Judah’s “Priest Based Dominate Influence”, or what is left of the Nation of Israel as a whole, only adds credence to this particular Writing of Isaiah.

I say, “being conservative” in that, in “Time”, every blade of grass, has its own “Time Dispensation Period”, preprogrammed into the overall scenario, from the get-go, for the various “Ages”. How far do WE want to break this down to? That is to the vary individual

neutron, in the vary individual atom, doing its “Job”, in its allotted “Time Frame” from when it sprouts to when it is no longer there which is all foreknown, on a “Time Line” continuum that is as wide as it is long, moving at a set rate, for this particular “Scenario”. WE are just talking about a few blades of grass that are here today and gone tomorrow. Now consider the IMPORTANCE paid to possibly other more higher valued ENTITIES, in the mix.

Aside from that, not thinking outside this “Box”, WE have OUR own world of various “Theories”, confined to this “Realm of OUR Existence” that may (or may not) have been proven, in the various “Fields of Study” MANKIND has at THEIR disposal. Not to be picking on one science, above another science, I hate to tell YOU this, but the “Laws of Physics and **JESUS**” do not **CO-EXIST (DEITY INCLUDED)** very well together. It is almost as if, “**MIRACLES**” are the exceptions to the “Laws of Physics” WE know (not the “Color Coded” blue word “**KNOW**”) to exist in “This” physical Realm.

Relax PEOPLE. There is a better explanation. **IT** is just that OUR **CREATORS ARE** a whole lot more **INTELLIGENT** than WE give THEM **CREDIT** for. “Imagine that Adam(s)”, concerning the dilemma you found yourself in, before you (each) said, “This WOMAN’ THOU gavest me?”

Add to that, The Bible tells US practically nothing towards OUR “Quest for Knowledge” (Again, not the “Color Coded” blue word “**KNOWLEDGE**”), outside of some “History and (possibly) Prophecy”, towards mankind’s “Advancement”. If anything, it may well have been OUR biggest “stumbling block” concerning OUR own human “Advancement”. How many “Other Advancements”, contrary to human “**D**ogma”, were blocked by the then known Church (Religious Realm) “In **C**ontrol” at any given time, “Do WE **NOT** know of”?

[The undertaking of this particular “just such a Writing” is to expose other, “just such as **S**inful **H**appenings”, that may (still) be dragging US all down.

Note: When I have to make mention of “**S**in”, in these writings, the “**S**in” is (sometimes) singled out with “Quotations” (depending upon

“Emphasis”), with the first letter (always) being Capitalized, **Bold**, and Underlined.]

For instance, remember when Earth was determined to be “Not the Center of the Universe”. (WHO would like to do the Mathematical Equations required, to make the Sun, and everything else, circle the earth every “Twenty-four hours”?) Let’s not mention the “Industrial Revolution” could have taken place 2500 years ago. However, at the time, **GOD’S** people Israel, as a whole “Nation of 12 Tribes”, was “In **S**hambles” and “paper” was deemed more valuable than the “Formula’s (used today for OUR Industrial Revolution)” written “upon it”. This is especially true of the people these papers were given to in the first place “for preservation”. The Religious Community that needed “Paper” for “sheet music” deemed “Music” more important than the “Advancements of Society”, that was otherwise written upon these pages.

What I AM trying to say is: There are “**P**inciples” at work “**H**ere (**K**ingdom’s of Earth)” going “**A**gainst the **G**RAIN of MANKIND”, **NOT** (exactly\*) sanctioned by the “**K**ingdom of Heaven”, WE cannot begin to understand. Do YOU get this? It is like MANKIND is tied alongside a “**D**irty River Barge” filled with “**D**eath and **D**estruction”. This goes a bit **DEEPER** “**H**ERE” then just trying to expose another “**T**ravesty” perpetuated upon MANKIND for an extended length of Time. The idea “**H**ERE” is to cut this “Barge of **D**eath and **D**estruction” away, **HOPEFULLY** before it “**D**estroys” US as well.

Note on the above (exactly\*): **DEITY** does take full and complete **RESPONSIBILITY** for **THEIR** Creation (including the angelic Realm) and **THEY** are “**H**ere” with each of US (as **MALE** and **FEMALE DEITY**) **ERADICATING** “**T**his **P**roblem” through US via **THEE ELEMENT** of **CHRISTHOOD** for both sexes of MANKIND. The “**P**roblem” being; “**S**in” is not exactly “A **P**roblem” WE can simply take aim at and “**B**low” out of the water. (Well ..., “Yeah WE can”, just not by “Physical Force” as WE are use to being dealt with by. See Zech. 4:6) For mankind to think they can simply **S**hoot their way out of the “**S**in **P**roblem” only includes each of US, individually, more exclusively into the “**S**in **P**roblems” final manmade “**E**radication” process.

Additional Note: With Capitalization, I earmark the “Past, Present, and the Future Ages (“Time Periods”)” of Mankind, with regards to **ETERNITY**. The fewer the capital letters used, in reference to a “Time Period”, the “Further back in Time” I AM referring to. The more CAPITAL Letters used, brings US to OUR “PRESENT Time” and into the “FUTURE”. The most capital letters used puts what I AM referencing in the soon coming “AGE Of The AGES”. Beyond the “AGE Of The AGES” is **ETERNITY** and **ETERNITY** is always “all CAPS” and purple (On the Internet) in color. “Purple” also denotes “Royalty”, and OUR **ETERNAL (GRAND) MOTHER**, as well, **WORKING** apart from **GABRIELLE**, **JESUS**, or **THEE HEAVENLY FATHER**.

[F.Y.I.: This day and age, with what WE know about the “Milky Way (i.e. “3<sup>rd</sup> heaven”, or even greater “Matters of Space” counting away from Earth)” and beyond, concerning Paul’s **3<sup>rd</sup> HEAVEN** could be the 10<sup>TH</sup> or **GREATER DIVISION**, of “Matters of Space”, away from Earth. Try and imagine how many this would be, if WE counted each of the various “Divisions of Space”, including “Dark Matter”, WE have to transverse through, now days, to get to what was in Paul’s day, referred to as **THEE 3<sup>rd</sup> HEAVEN**. For the sake of discussion, “IT” is still referred to as “**THEE 3<sup>rd</sup> HEAVEN**”. If I AM referring to another dimension of “Outer Space”, which WE, as male and female **CHRIST**, will be habiting soon enough, I will spell it out, such as “Pleiades”.]

To continue; concerning the cause of “**D**ead and **D**estruction”: It is **NOT** recommend of any BODY to further pursue the continued **A**dvancement of this “**F**ield of **S**tudy” in that “**I**t is the **S**tudy of **E**vil” via MANKIND (simply as PAWNS) for the “**W**rong **C**auses”. WE ADVANCE by “Studying what is **R**EAL”, and not by “**S**tudying what is **F**alse”. Granted this “**B**all” was dropped in MANKIND’S lap, no “**F**ault” of OUR own. That does not mean WE have to “**S**wim in **S**in”. Rather, WE should be cutting OURSELVES loose and distancing OURSELVES from this “Barge of **D**ead”. Be it known, “that which is **F**alse”, is slated to be violently done away with, by “**E**vil’s Own Council”. **R**IGHTEOUSNESS distances US from this “Barge of **S**in”.

To further **P**ROVE this “**P**oint”, it is easy enough to see what little WE have “**L**earned” about “**S**tudying the **W**ays of **E**vil”. WE simply become “**M**ore **E**vil” in a downward spiral. WE have practically

Perfected the art of “How to Destroy more PEOPLE (**IMAGES** of **GOD**)” in the least amount of “Time”. Think about what I AM saying here! WE have got “This Sin Problem” down to Perfection. That is, “WE have Perfected the Art of Destroying the whole world, multiple times over, in a just a few Nanoseconds”, while the “Sin” still remains.

F.Y.I. This world’s defense policy is still referred to as M.A.D. for “Mutually Assured Destruction” if any of us attaches each other, or their ALLIES. WE have “Perfected Destruction”. Talk about taking a Bible text out of context. This is not exactly what OUR **MAKERS** had in mind when **THEY** told US to “Be YE **PERFECT**”, as YOUR **FATHER WHO ART** in **HEAVEN** “**IS PERFECT**”, but it certainly does expound upon the “Completeness of Sin”. How “It” utterly and completely destroys everything “It” touches.

There is “**A BETTER WAY**” and presently, WE are but “SHIPS unknowingly Adrift” in the “Sea of Evil” no “Fault Of OUR Own”. In **PURSUIT** of “**THAT BETTER WAY**”, which is so easy and simple to follow **THROUGH WITH**, as OUR **QUEST** begins.

## Introduction

### SHIPS Ahoy MATES

Tell ME if YOU will, were any of YOU **BORN** (1) "**ALL KNOWING**" outside the (2) "Confines of Time"? A thousand times "NO", except for maybe some present **COMPANY DEITY!** That is not how any of OUR (human) LIVES fall into place on either of these two accounts. It would be different if YOU were presently **BORN "ALL KNOWING"**, and at least **KNEW** how **GOOD HEAVEN** (Color coded "Magenta" because I AM referring to the "Combination of Everything", including **THEE** female "**DEITY'S**" being **PRESENT**.) could be. With that in mind, now try and fathom "Choosing to give up **ETERNITY**", for this "Stench (dealing with "Sin", no less) in Time".

If that were the case, and WE **KNOWINGLY** gave up **HEAVEN**, at least then, only OUR "Sanity" would be in question. I AM not saying there is not more to this "**POINT**" to be made, but "That Topic" is for a later time. The possibility of having "Chosen to give up **HEAVEN**" is just that. However, this is not the "**TOPIC**" for this "Introduction" here and now, but that does not mean it is not "Relevant", as WE shall soon see.

Along those same lines, whether **THAT** be the case, or not, it is as if WE are talking about OUR whole SOUL being "Falsely Accused" for not "Toeing the **LINE**" even before the human RACE began in Genesis. (Excuse ME? Did WE miss that "Memo" via which WE are "Always" being **JUDGED**" by? What "**LINE**"? Do YOU see a "**LINE**" anywhere around, especially, on this "Sinful Planet Earth Here"?) Yet, it "**IS**" the "**LINE**" by which WE are "To Be Measured ("Weighed in the balances and found wanting", according to Daniel 5:27) By" otherwise **KNOWN** as "RIGHTEOUSNESS".

Whoa, wait a minute. Hold everything! Tell ME if YOU were **CREATED** (or born) "fully **KNOWING** RIGHTEOUSNESS"? Again, that answer is an **IRREFUTABLE** "NO".

There is a point to be made "Here (I.e. Kingdom's of Earth)" with regards to OUR "State of BEING" at birth. If an INDIVIDUAL were born "RIGHTEOUS" **AND** "**FREELY KNOWING EVERYTHING**", (Including the various "Consequences" of "Sin"), and YOU then "Chose To **FREELY** Give That **LIFESTYLE** Up", that is a

whole different “Ball Game”. YOU would stand (or fall) upon YOUR own merit and **THEE ELECT, WHOMEVER THEY** may be, would have “NO Case” to plead, on YOUR behalf, in “Defense for YOUR Cause”. [Sorry **JESUS; YOU ARE** on **YOUR OWN**, but it **APPEARS; YOU MAY HAVE** broken the “**Mold (Death)**” by that which WE are to be “Condemned” anyway.] Furthermore, I AM sorry for wasting the Time YOU, that were “Born **RIGHTEOUS**”, have already spent reading these frivolous (to the **RIGHTEOUS** born) **WRITINGS**.

For the rest of US, not so lucky, (sure) WE can always “**LEARN**” the “**SANCTIONED WAYS**” **AUTHORIZED** of the “**Kingdom of HEAVEN**”. (Rah, rah? ... where do WE sign up?) I assure YOU, “**IT**” is easier than YOU think. In a nutshell, presently, as it was in “Adam’s day”, WE have to be “**L**ied to” in order for US to be enticed “To **S**in”. (Whoa! How’s that again? WE have to be “**L**ied to”? to “**S**in”?) Show ME from Genesis Chapter One, something that was **CREATED** “**GOOD**” and then “**C**hanged” or “**P**roclaimed **E**vil” of “Its” **CREATOR, WHO** “**NEVER CHANGES**”? That did not happen. “Something” therefore was arbitrarily singled out, “**M**isrepresented to MANKIND”, and therefore declared “Being **E**vil” to Adam and Eve.

Let US look at “**THIS RIGHTEOUSNESS**” from a different angle. In today’s world, there are these highly sophisticated planes flying around this planet. While on autopilot, they fly themselves. If radar indicates something ahead the pilot wants to avoid, the pilot simply takes the plane off autopilot and “flies the plane”. However, with one of these newer versions of the “Air Bus”, if you put “Pressure on the Wheel” for more than thirty seconds, the plane remains on “Autopilot” but automatically gives “the pilot” control of the plane and all sorts of (**A**dverse) results can happen. This includes driving (“**S**inning”) the plane (“**B**ody”) into the ground of which “actually” happened. However, for the pilot to correct this problem, while still on autopilot, all he has to do is “let go of the wheel” and the plane automatically “Re-coordinates” itself with its autopilot settings, as if nothing happened in the first place.

That too is all WE have to do with the “**S**in” in OUR **LIVES**. Simply **LET GO** of the “**S**in” in OUR **LIVES**, and OUR “Bodies” will automatically “**RE-COORDINATE**” OURSELVES with the innate **SPIRIT OF LOVE** that so richly **DWELLS** within each of US. Did

YOU **GET** that? **DEITY (MALE or FEMALE) LIVES** in each of YOU that have breath, **FOR CHRIST' SAKE, LITERALLY.**

Have YOU ever played this “Party Game” where the host puts these different “things” in different sealed boxes, and YOU are given a stick to poke into the rubber holes in the box to try and figure out what “is in the box”, without actually looking into the box? The “humor” is in the “ideas” that come out of the “Poking of the stick”, trying to determine just what is in the box. Is not that kind of where WE are at “Here in Time”? At best, these past few hundred years, WE may have been able to just poke around a bit more, through a small black “key hole”, coming up with various “Theories (Getting more complex by the day.)”. To what end?

What does a stick, being poked through a hole in a black box, tell US? Are not WE still trying to figure out what the “Thing” in the black box is? Furthermore, what does “Whatever” is in the black box have to do with “**ETERNAL**” life? Not a “Thing”, with regards to “Pleading YOUR Case”. YOU see, even if WE do figure out “What is in the **B**lack **B**ox”, WE still “Die”.

As with ME, I AM not “Here (Kingdom’s of Earth)” trying to figure out, “What is in the little **B**lack **B**ox”, to any degree, what so ever “**HERE** and **NOW**”. “It” is “Full of Sin”, and I **ASSURE** YOU, YOU **DO NOT WANT** to have anything to do with “Sin”. On the other hand, **RIGHTEOUSNESS** is **ALWAYS THEE NAME OF THE GAME** and **THEE “MELCHIZEDEK ORDER”** is MY middle name. Wherever I go, **THEE** the “**Kingdom of HEAVEN**” is **INSTANTLY “SET UP”**, if “IT” is not already “at hand”, via PEOPLE that already **KNOW** what **RIGHTEOUSNESS “IS”**, once again. Nobody knows “The Way of the Wicked”, but “**THE WAY** of the **RIGHTEOUS**”, any BODY **CAN KNOW**, for “**THEY ARE** easily seen and **UNDERSTOOD**”. In a nutshell, I cannot begin to tell YOU the “ins and outs” of these specific “Evil Things” happening ...

[Please PEOPLE: “Death and Destruction” is not MY preferred “School of Thought”. Let ME break the name “Melchizedek” down for YOU. “Melchiah” means “JEHOVAH’S King”. “Zedekiah” means “JEHOVAH’S is **JUST** (an **ACTION**) or **RIGHTEOUS** (a “State of Being”)”. Want more? “Zadok” means “**JUST RIGHTEOUSNESS**”. **TRANSLATION: “GOD’S (JEHOVAH’S) JUST RIGHTEOUS King”.**

Therefore, I do **NOT** spend MY “Time” thinking about, much less, developing “Weapons of Mass **D**estruction”, as a “Nobel” cause. Trying to prevent “**S**uch **T**hings”? YES. Developing “**T**hem”? NO. That is **NOT** in MY “Job Description”.]

... except to tell YOU **HOW** (and **WHY**, “Being **A**drift”) **T**hey (“**S**ins”) do come into “**H**appening”, in **HOPES** of **PREVENTING**, “**S**uch **T**hings”, from “**H**appening”, until more precise **INFORMATION**, to stop **S**in “Dead in **I**ts **T**racks”, altogether (besides Nuclear Holocaust), comes along. (The “Atomic Clock” is ticking.) Considering **WHAT JESUS DID**, yet, the “**S**in” still remains. Presently, WE are privy to **INFORMATION** (“**M**EAT in Due Season”) needed to get US through OUR more pressing, purely MANMADE, **D**angers.

The “**S**ins” I AM further imploring “Here (Kingdom’s of Earth)” are a bit “**DEEPER**” than the run of the mill **S**ins “Confessed and Forsaken” against OUR fellow human BEINGS, daily. “**T**hese” I AM not dealing with “Here” per se. That is, “**T**he **S**ins” where WE have already asked OUR BROTHER (and SISTER) to forgive US that 489<sup>th</sup> time. Those **S**ins, “Confessed and Forsaken”, are pretty well covered by **JESUS**, in the Beatitudes. Say WE did all that, including confessing **JESUS** is OUR **LORD** and **SAVIOR**, and WE still end up in that nasty Brimstone (Sulfur) “Baptism By **F**ire”? Who then is going to “Plead YOUR case?”

What? Was **JESUS** wrong? Were WE shortchanged by **HIS** Death, burial, and **RESURRECTION**? “**NO**”, not in the least. If anything, on the other extreme side of this “COIN”, **HIS D**eath, burial, and **RESURRECTION** could very well have paid OUR “Admission Price” to this “Purification Baptism By **F**ire” as well. This fact, alone, will have been amply demonstrated if WE too are “Resurrected” because an **INNOCENT MAN DID** “**D**ie” in the first place. This “**ACT**” in and of **ITSELF** supercedes whether **HE** “then” is also OUR “**LORD AND SAVIOR**”. Based upon that “**SINLESS ACT**” in and of **ITSELF**, WE still otherwise, because of OUR “**S**inful **N**ature”, should have **NOT** been “Resurrected” in the first place, **ETERNALLY**.

The **ETERNAL** question is therefore “Why” does this “**T**hus” purification “Baptism by **F**ire” possibly still await each of US? Are **THEY** mad? Did WE miss something otherwise overlooked in OUR

“Lives”? I simply ask, what harm is there in further exploring other “**P**ossibilities” of the “**DEEPER NATURE**” Of “**S**in”, in order to (possibly) keep this “Purification Baptism By **F**ire” from happening in the first place, to the INDIVIDUAL, if not all of MANKIND, as a whole.

Before WE begin, I assure each of YOU, I AM not going to “Zero” in on individual “**S**ins” in INDIVIDUAL “Lives”. I will introduce the hidden “**P**inciples At **W**ork”, and it is up to the INDIVIDUAL to figure out “How”, if at all, those “**P**inciples” may apply to THEIR own particular individual “Life”. **THIS** is more like “nice to **KNOW**” **HEAVENLY GOSSIP**. What YOU chose to do with this **MATERIAL** is YOUR own business.

If all I do is to give YOU “New Motive To **PRAY**”, in just as ever many different directions, concerning YOU and YOUR fellow human BEINGS overall “Well Being”, then I have accomplished part of MY “**OBJECTIVE**”, though, a microscopic small part, indeed. If on the other hand, through these additional **COMMUNICATIONS** with **THEE HOLY SPIRIT**, YOU **ACTUALLY** become RIGHTEOUS, bright shining as the **SON**, without having to go through the purification “Baptism by **F**ire”, then **THEE HOLY SPIRIT** has **ACCOMPLISHED HER**, much more, **IMPORTANT PRIMARY “OBJECTIVE”** as well, of which I AM especially, all the more elated.

What is **HER** primary **MISSION** YOU ask? Why it is “To lead ALL of MANKIND to **TRUTH**”. However, do not let ME be misunderstood here. It is up to the INDIVIDUAL to then “Specifically Deal With Those **P**inciples in THEIR Lives, Accordingly”, while **THEE HOLY SPIRIT** may still be found. Otherwise, WE then stand upon OUR own “Righteousness” and WE each know how far that will get US.

Without further ado, let each of US “**PRAYERFULLY**” begin OUR quest into the “**DEEPER NATURE** of **S**in”.
